In addition to your Letter of Comparability you may wish to receive a UK NARIC Certificate of Comparability. This provides you with your comparability statement in a certificate format which is often required by employers or other institutions. This Certificate is an entirely optional service. The cost of the Certificate is £23.50 (including all taxes) per qualification, payable by cheque or postal order to ECCTIS Ltd. Please contact the UK NARIC stating your reference number and the name of award should you require a NARIC Certificate.

The service provided by UK NARIC, although based on informed opinion, should be treated only as guidance.

I hope this is of assistance.

Yours sincerely

C
